

## Good Job, Cheung King Wai Earning ‘Innovation & Technology Scholarship Award Scheme 2013’

Bravo! Our student, Cheung King Wai (BSc (Hons) in Building Engineering and Management Programme, Year 2) got the Innovation and Technology Scholarship Award Scheme 2013 (HK\$150,000-). This Scheme aims giving public recognition to remarkable undergraduates in universities in Hong Kong and chances of enhancing their international/Mainland exposure and earning relevant industry experience. Through a very strict selection in terms of language, communication skill, academic achievement, passion, participation in extra-curricular and community service activities etc, King Wai is one of the awardees this year. Good Job, King Wai!
